MEMORANDUM FOR: Mr. Richard Helms**SUBJECT : Identification of Agency Staff Personnel to
Foreign Intelligence Services****Dick:**

Regarding your comments on subject proposal, I agree with you that from a DD/P standpoint it would be more appropriate to maintain this information in the CS Career Service files. I feel, however, that the information should also be a matter of record in the Office of Security. I have no firm opinion as to how the survey should be conducted and am entirely agreeable to leaving this to each Deputy Director.

I have revised, for your consideration, the last paragraph of [redacted] memorandum along the above lines. If you still feel that this information should not be furnished to the Office of Security, I would like to discuss the reasons therefor with you.

Signed**L. K. WHITE
Deputy Director
